Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 13 1999 P1:43

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I hate to lose the services of Madison  
Pharmacy Associates as the medication I re-  
ceive from them works better for me than  
any I've taken so far. Now, I can take one  
pill per day as opposed to two or three a day  
for my condition. My doctor recommended them  
and they get my medication right out to  
me. So please don't close them down or I don't  
know where I'll get my medication.

Thank you,
